

## **Content Outline**

Nora Perry

**Topic** - The Soulquarians

My website will contain multiple pages to introduce people to the Soulquarians, their history, legacy, members, and music.

### **Home Page**

-Introduction and group photo of the collective from Vibe magazine. Side bar with navigation to the following pages.

### **History**

-Summary of the groups formation and namesake, and where they recorded (Electric Lady), as well as their eventual breakup. Ending paragraph about their legacy. Interspersed throughout with photos from the era.

### **Members**

-list of members with corresponding photos.

### **Music**

-listing of all the albums made by the collective with brief blurbs and spotify links to the music.
